AIMÉE

WENDY

Hello, it's Aimée and Wendy! Together we are **Asteria Press**, dedicated to publishing rule-breaking fantasy fiction that warms the heart.

Our aim is to bring the world more wholesome, magical, hug-in-a-book novels. Asteria Press's central list features light adult fantasy that brings a smile to your face. That doesn't mean our books are without peril. We love suspense, danger and heartbreak, and all that comes with it.

The connecting theme that shines through all of our books is the rush of a feel-good escape. Thrilling comfort. Warm excitement. This is what we look for in our books.

We are a proudly women-led start up and seek to champion authors with exciting ideas and creative ways of redefining fantasy.

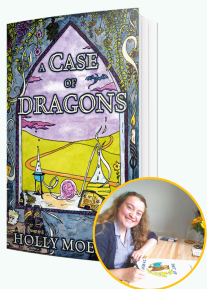

What excites us is fantasy that does things a little differently. We want to push the limit of genre expectations and play around with tropes.

We publish novels that find comfort in the ground-breaking.
